PROFESSIONAL SUMMARY

Performance marketing professional with 4+ years across SEO, SEM, paid social, working with Australian, American, and Indian brands. Combines technical and content-led SEO with WordPress site development, Google and Meta campaign management, and hands-on analytics implementation in GA4 and Tag Manager. Experience spans energy comparison, proprietary trading, healthcare, iGaming, D2C consumer, and political campaigning — running full-funnel programmes from keyword architecture and landing page builds through to attribution and reporting.

PROFESSIONAL EXPERIENCE

Marketing Executive · UtilityDeals, Australia

Sep 2024 – Present

- Drove 80%+ growth in organic search traffic through technical SEO improvements, blog optimisation, and a structured content marketing programme.
- Conducted in-depth keyword research and on-page optimisation in SEMrush and Ahrefs, targeting high-intent, low-competition terms across the electricity, gas, solar, and broadband comparison verticals.
- Managed a monthly marketing budget of ₹3.2L–₹3.5L, allocating spend across Google Search, Display, Remarketing, and Meta for maximum return.
- Planned and executed Google Ads and Meta Ads campaigns — audience targeting, bid strategy, and creative testing — increasing qualified leads while reducing cost-per-acquisition.
- Built and optimised WordPress site pages and landing pages to improve user experience, conversion rate, and search performance.
- Launched segmented email sequences with A/B testing, improving engagement and lifting conversions by 8%.
- Implemented GA4, Google Search Console, and Tag Manager tracking with UTM parameters and conversion goals, enabling accurate source attribution and continuous optimisation.

Digital Marketing Executive · MJSPR Pvt. Ltd.
